72 Oil-Paintings Displayed At Bank

FCD Warns Of Water Shortage

LOST IN THOUGHT — Mrs. E. D. Humphries seems lost in thought as she admires the works of area artists on display in the Florida First National Bank lobby.

Mrs. Henry O. Earwood, art teacher under the adult veterans program sponsored by the county, is now showing the paintings by her 36 pupils to the general public in a display at the Florida First National Bank of Belle Glade.

The 75 oil-paintings were shown Saturday in a county-wide exhibit at Palm Coast Plaza in West Palm Beach for the annual showing there in the Plaza's mall.

This is a personal interest class, said Mrs. Earwood, an art teacher for 35 years, and "I teach my pupils whatever they want to learn." Here the student can express his individual feelings and tastes on canvas, said Mrs. Earwood.

"A lot of my students paint from slides or photos, but they never copy," said Mrs. Earwood, "and if anyone is interested in buying one of the paintings on display I will be happy to get them in touch with the artist."

The group meets each Monday from September through April and has just finished this term.

Part of the many beautiful paintings are shown here, less the color of the paintings. You must see the display to appreciate the work involved.

With the driest two months of the year ahead of us, and surface water dangerously low in some areas of the Central and Southern Florida Flood Control District, a warning was issued Monday by Robert W. Padrick, chairman of the FCD, urging all possible efforts to save fresh water.

During the past month, continuing dry weather, with little or no rainfall over the 15-county district, is accelerating the decline in water levels, said Padrick.

He pointed out that the level of Lake Okechobee—the chief reservoir of the District—declined from 13.09 feet (above mean sea level) on March 12 to 12.56 feet on April 4th.

Even if rainfall is normal between now and June, Padrick predicted that the lake level will drop to 10.64 feet—or three feet below its minimum desired stage.

One year ago at this time the lake was only 6.10 of a foot below schedule, but a serious drought developed later in the spring.

Farmers are urged to use absolute minimum amounts of water where they feel it is essential to flood fields for nematode control. Homeowners should exercise great care in use of water for lawns. All drainage districts are urged to cooperate and ask their landowners to use water sparingly.

In the Upper St. John River Basin, where water control works are now under construction but not yet operational, the forecast can be said to be "critical," Padrick said. "Last year was not a good one for the region," he stated. "But this year levels near Melbourne are a full foot below the stage one year ago. Even now District canals in St. Lucie County are at the point where irrigation supplies are getting difficult to obtain. It is a very dangerous situation pointing up the real need for a new \$70 million water control project, proposed by the Army Corps of Engineers, Padrick said.

Third Annual Cross-Florida Bike Race Set For This Weekend

Forty-nine bicyclists will pass through Belle Glade this weekend in the Cross-Florida Tour bicycle race, including six entrants from the Army who are preparing for the Olympic Games in Mexico City in October, according to Bob Husky, race director and president of the West Palm Beach Recreation Bicycle Club.

The 24-mile race will begin at the Ramada Inn at 6 a. m. on Saturday and end at the day in Fort Myers with a stop over in Clewiston. The racers should pass through Belle Glade between 7:30 a. m. and 8:30 a. m., said Husky.

Contestants on the Army team are: John Allie, former Princeton star, Edwin Turner, Tom Garity, Joe Stager, Neil King and Ray Matthews III. For the return trip the group will leave Fort Myers at 6 a. m. Sunday and depending on the easterly wind, should arrive in Belle Glade between 9:30 or 10:30 a. m.

On this second leg of the race the cyclists will come in to town by way of highway 715 to Avenue E and finish at the Lake Shore High School. At 10 a. m. a church service is scheduled for the group in McDonald Park with the Rev. Henry Galloway officiating.

Qualify For City Deals In Everything from fires to hand lotion

The monthly report of all the departments of the City of Belle Glade from March 1 till April 1, has been turned in to the city manager, Tevis Hughes. Following is a summary of each department's activities.

FIRE DEPARTMENT
The Fire Department reports eight more fires than last year at the same time, with a total of 72 reported fires, causing \$13,720 more in estimated damage losses. One fire was determined suspicious.

LIBRARY
The library added 72 books to its grand total of 1709. The total circulation was 1425, with more adult books than children's books in circulation.

WATER DEPARTMENT
82,498-gallons of water were pumped to the main Water Department this past month. The employees were kept busy around the Water Plant repairing the fence and gates; trimming the trees and working on the grounds; relocating pipe and fittings; moving parts and meters; cleaning the shop; and restocking the shelves.

SEWAGE TREATMENT PLANT
The Sewage Treatment Plant reported a total flow of 15,343,000 gallons. They repaired two run over manholes at a cost of \$60.00, cleaned and repaired one lift station pump and pointed another, and performed other miscellaneous duties.

STREET DEPARTMENT
A busy street sweeper swept 287 miles this month, picking up 48 pounds of debris. The department also worked at the Water Plant rebuilding drives, parking area, and storage areas. They built a 215 ft. sidewalk and a concrete storage bin; constructed a 108 ft. retaining wall and a loading platform; assisted in landscaping; and all Palm Beach County might best be served by a Republican, working democratically with Republicans, Legislators, and a Republican Governor."

DOG TAGS
Dogs will be vaccinated at City Hall in South Bay, Saturday, April 13, from 10:30 to 11:30 a. m. All dogs must have tags by Monday, April 15, or else they will be picked up.

ART SHOW
The "Love Elephant" School Art Show will be held at the school April 15 beginning at 8 p. m. All parents and friends are invited to attend. Hostesses for the event will be Mrs. Francis Cross, Mrs. Jack Fulewider and Mrs. Paul Hawkins.

COIN EXHIBITION
"Art in Numismatics" sponsored by the Palm Beach Coin Club will be on exhibit April 2 through 28 at Norton Art Gallery, West Palm Beach, in celebration of National Coin Week, April 1-27. The exhibition is a mixture of commemorative, proofs, and legal coinage. Admission to the Norton Gallery is free.

THE FISHING REPORT

Charles Corbin, Slim's Fish Camp, reports that the fish are still biting in the Belle Glade Area. The bream and shell-crackers are also reported to be coming on the beds, an event anxiously awaited by most fishermen.

Jane and George Ives, West Palm Beach reported near limit catches of specks on Saturday. They also brought in a nice string of shellcrackers on Saturday afternoon. The Ives went out for bass on Sunday and returned with a very nice stringer full.

Wallace Lutz and family, Belle Glade, reported near limit catches of specks on Saturday. Mr. Lutz was bass fishing on Friday and came in with 5 bass.

With the increase in shellcracker fishing, the upcoming weekend is expected to produce more good fishing. *Slim's Fish Camp*

Revised School Calendar Makes Up Days Lost

A revised school calendar issued by County Superintendent Robert W. Fulton has established normal school days in place of the originally scheduled teacher planning days and other pupil holidays, to make up for days lost to students at the beginning of the recent teacher crisis.

In circulating the revised calendar to all 91 principals, Mr. Fulton noted that crisis days, February 19, 20, 21, and 22, had all been declared emergency teacher planning days.

March 8, which was to have been a teacher planning day, according to the original 1967-68 school calendar, was changed to a normal school day to regain one of the four lost days for students.

The three other "lost" days for students will be made up April 15 (originally Easter Monday holiday), April 26 (originally a teacher planning day), and June 7 (originally a school day).

The last student attendance day will be June 7, compared with June 6 (scheduled on the original calendar).

The revised calendar provides for adjustments in attendance months, six-week periods, and the last day of the contractual period for personnel.

Florida State law requires all children of school age to be provided with 180 days of school.

Five Degrees Awarded Here In Demolay

Five boys from Belle Glade went to West Palm Beach to receive their initiatory and Demolay degrees in the Herman Barrett class on Saturday, March 23. In this class there were 69 boys receiving their degrees from province 6. The boys from Belle Glade were Howard Davis, Rhodi Brown, Randy Woodham, Leon Cunningham and Kenneth Ward.

Saturday afternoon, March 23, at three o'clock in Pahokee, there was a softball game between Jack W. Barrett Chapter and Lake Okechobee Chapter won 9 to 5.

Players for Lake Okechobee Chapter: Bruce Wells, Earl Ballard, Stephen Chase, Charles Close, Donnie Hylert, Mike Burkett, Mike Foster, Arthur Wells and Larry Williams.

Players for Jack W. Barrett Chapter: Curtis, Tucker, Adams, Lassiter, Maynor, Miller, Mason, McCarthy and Hood.

Wednesday night March 27th Lake Okechobee Demolay Chapter held a regular stated meeting with Senior Demolay, Ray Lotter presiding as Master Councilor. After meeting was opened they had a discussion on the events and participation ending their 49th anniversary of International Demolay Week. There were discussions on having another car wash sometime in April and the Province Softball game in West Palm Beach against Thomas A. Edison Chapter, Sunday, April 7 at two o'clock at Concession Junior High School.

Lake Okechobee Demolay Chapter is now leading Province six in membership drive with 144½. Lake Okechobee Chapter has 36 new members since being reactivated in January of 1968.

Refreshments for the evening were served by Mrs. Mary Wilson, Mrs. Paul Anderson and Mrs. Robert Alderman.

Letter To The Editor

**Freedom Is In
The Resurrection
Of Christ**

On the fourth day of April of 1968, at approximately eight o'clock P. M., it seemed as though the world stood still at the striking and shocking news of the death of the late Rev. Martin Luther King, Jr.

It seemed as though many of us just then, as never before, realized what he was trying to accomplish. It was then that we realized what he had achieved for the Negro.

Many of us have now found the reason for his fight, but somewhat a little too late for Dr. King, himself, to know. Now we must prove to ourselves and other that we know his reasons by standing still and thinking for a moment.

There was another man who many years ago gave his life so that we might have wisdom, knowledge, and freedom in help to look to the hills, to the mountains, to the forest and of all to the tree of life. His name was Jesus Christ.

The late Dr. Martin Luther King, Jr., may not rise again, the great Abraham Lincoln may not rise again, the great President John F. Kennedy may not rise again, nor any of the many other wonderful men who in their opinions fought for freedom and peace. But there was one man who did die and rise again, his name is Jesus Christ. Those of us who now know him as our savior have found love, peace, freedom and contentment in the cause for which he fought and died.

So dear Christian friends, readers, and people all over the world, let us wake up and think about the freedom in the resurrection of Christ. Then one day we can really find wonders and contentment in the cause for which he fought and died.

You can then stand firmly: "I am the first, the last, I am the beginning and the end." Ada Wilkerson, Missionary Church of God by Faith

Army Engineers Call For Bids - 5 Jobs In Fla.

Bids will be opened in April and May on five construction jobs in Florida expected to cost a total of \$5.8 million, it was announced by the U.S. Army Corps of Engineers in Jacksonville.

Dist. Engineer Col. R. P. Tabb said bids will be opened today for grading spoil banks and a 175-mile stretch of the Caloosahatchee River which is being enlarged as a part of the Central and Southern Florida Flood Control Project. Spoil banks on the south side of the canal will be shaved down to an average height of about 25 feet above natural ground level. Bahia and Bermuda grass will be planted on the front (river) side of the slope and hairy indigo grass will be planted on the top and back sides of the spoil banks. In addition, some 800 trees will be planted along the river banks.

Several varieties of trees, including Jerusalem tree, pine cedar and kumquat, will be planted along the river banks. Cost of the work is estimated at \$400,000, and the contractor will be allowed 365 calendar days to complete the job.

On April 25 bids will be opened for excavation, foundation and construction of the 28-mile reach of the Caloosahatchee River between Fort Myers and LaBelle. Shoals of up to 10 feet have developed in the channel which is used for boat flood control and as a part of the Okeechobee Waterway. The channel, Colonel Tabb said, will be restored to depths up to 25 feet. Army Engineers said the cost is expected to be about \$900,000 and completion will be required within 425 calendar days.

Bids will be opened April 30 for construction of an additional 11-mile length of levee 73, and 7.1 miles of Canal 57 in the Upper St. Johns River Basin portion of the Central and Southern Florida Flood Control Project.

Bids will be opened May 7 for construction of a special artificial flood decontamination facility at McCoy Air Force Base at Orlando.

Opening of bids on six six-month dormitories at McDill Air Force Base at Tampa will be held May 9.

SENSING THE NEWS

Though Communism has been a ruthless force in the world for more than 50 years, many people in free world countries still have not recognized its true nature or come to understand how to deal with it. This observation has special application to the events in Vietnam in the last couple of months.

In this period, the Viet Cong smashed into the cities of South Vietnam — even attacking the U. S. embassy in Saigon — and North Vietnamese units engaged in conventional war operations supported by Soviet-built tanks. The toll of American casualties rose shockingly in this period.

As a result, the American people are more deeply disturbed than ever about the course of the war in Asia. They see the Communists pushing ahead with vigor, only a short time after the U. S. public was assured that all was well. And in North Korea, the Soviet-oriented Communist regime has been threatening fresh war against the United States.

The trouble the U. S. faces in Vietnam & elsewhere stems from a refusal to recognize the nature of Communism. The Kennedy administration first brought the notion that the Soviet Union was mellowing. One wonders how that notion strikes the U. S. special forces who had to stand up against fire from Russian-built tanks in Vietnam. There was nothing "mellowing" about the Soviet army.

Since the beginning of the Vietnam war, Secretary of Defense McNamara argued for only very limited pressure against the Communists. He consistently opposed each step-up

in the air war, though he has been overruled from time to time. Because of Mr. McNamara's opposition, the U. S. has not blockaded the North Vietnamese port of Haiphong or the ports in Cambodia where the Reds also obtain supplies.

In recent weeks, American fighting men paid heavily for the failure to blockade Red supply ports. The Russian tanks surely weren't brought into Vietnam on jungle trails on the backs of coolies. They reached Vietnam via Communist ships that were allowed to pass unhindered.

The question arises: how can America hope to win in Vietnam while the supply ports are untouched and the Red's privileged sanctuaries in Cambodia and elsewhere are immune from attack? How can American soldiers and Marines triumph in the field where they are not permitted to pursue the enemy to his bases in North Vietnam? The answer is that the U. S. can't win under the rules laid down by those who want to treat the Communists with kid gloves so that they will come to a conference table.

Years ago, Gen. Douglas MacArthur, who knew all about success over a determined enemy, said there was no substitute for victory. The Kennedy and Johnson administrations have been fighting a single, unified, worldwide campaign against the American people and economic system. Communism in Southeast Asia will only be crushed when the President's war program has cracked down — and crack down with tremendous power — against North Vietnam. U. S. soldiers in the field are entitled to a victory goal before setting the administration in Washington.

North Korea. An administration that refuses to carry the war to the enemy's doorstep and that accepts humiliating offenses by the Communists is an administration unworthy of the electorate's support.

The U. S. certainly has the strength to win in Vietnam — indeed to triumph over Communism everywhere in the world. But the job can't be done by fighting with one hand behind one's back or by giving the enemy every break. In World War II, the United States launched a powerful air offensive against the German cities. It was aimed not only at hitting military targets but at smashing the Nazi will to resist.

In the Vietnam war, however, the U. S. has not attempted to smash the communist will to resist. No great fire raids have been ordered against Haiphong, Hanoi, and other cities in North Vietnam. It is no wonder, therefore, that North Vietnam still fights fearlessly. The war for the American bombing is directed only against selected targets and periodically is slowed down to encourage peace feelers.

Clearly, it is time for a change in policy. Communism aims at the destruction of the United States. It is engaged in a single, unified, worldwide campaign against the American people and economic system. Communism in Southeast Asia will only be crushed when the President's war program has cracked down — and crack down with tremendous power — against North Vietnam. U. S. soldiers in the field are entitled to a victory goal before setting the administration in Washington.

STILL THE HOPE OF THE WORLD

Why Did Jesus Have to Die?

By Lewis Llewellyn
Sentenced to die, though guilty of nothing, Jesus carried his cross up Calvary's hill, where he crucified Him, and two others with Him, on either side one, and Jesus in the middle.

Dying between two thieves, the Son of God was associated with sinners to the end. The only true accusation ever brought against Him — except for the fact that He declared He was the Son of God — was, "This man received sinners."

Plute gave his judgment: "I find no fault in Him."

The centurion who commanded the executioners exclaimed, "Truly this man was the Son of God!"

Why did He come to earth, suffering Himself to ridicule, scorn, hatred, and finally death at the hands of His enemies?

"FOR OUR TRANSGRESSIONS"
The answer may be found in the 53rd chapter of Isaiah's prophecy: "He is despised and rejected of men, a man of sorrows and acquainted with grief... Surely He hath borne our griefs and carried our sorrows... He was wounded for our transgressions. He was bruised for our iniquities. The chastisement of our peace was upon Him, and with His stripes we are healed."

The religious authorities, who had conspired to put Him to death, made fun of Him. He was hanging on the cross. "He saved others," they mocked, "Himself He cannot save."

Those who were true to Him, the "Lamb slain from the foundation of the world," could not save Himself and our Savior.

Someone had to pay the penalty of sin — either the sinner or his substitute.

Everybody wants to take over the government, the city, the nation, the world. But today is for power, Black Power, Union Power, Bureaucratic Power, Political Power, and to hell with the country.

Others tell us that what we must do to appease our enemies and agitators is to give them what they ask. They say, "We are a rich nation, give them money, more and more money, we will buy ourselves out of trouble."

But this formula has been tried over and over again at home and abroad. It doesn't work. You cannot buy either love or respect, you only buy hate and ill will. The candidate who disagrees with this philosophy? If so, vote for him. It may be too late but at least your vote will have been honest.

Why Did Jesus Have to Die?

He chose to be our Substitute, refusing to speak in his own defense, willingly offering Himself in the place of those who have earned the wages of sin — death.

DARKEST DAY
The day which we now call Good Friday was the most dolorous of days — and the darkest, from noon till 3 P. M., when the Savior cried out, "Father, into Thy hands I commend My spirit."

What second then to be defeated was turned into glorious victory, three days later.

Now the Savior who paid the full price of the penalty of sin is able to say, "Behold, I stand at the door and knock. If any man hear my voice and open the door, I will come in."

The decision is up to you... "You must open the door... When Jesus comes in, He will save you from sin but you must open the door."

Clear Drain
If you pour hot water down your drain once a day, you can save the drain from becoming clogged. The drain will dissolve grease that accumulates inside the pipe.

Someone had to pay the penalty of sin — either the sinner or his substitute.

TO SPEAK AT ALLIANCE CHURCH

Rev. and Mrs. David A. Frazier and their children are back from Vietnam. They will tell of their work in the Mission field.

Rev. David Frazier, first pastor to the Belle Glade Alliance Church, has just returned from his second 4 year term in Vietnam for the Christian and Missionary Alliance Mission Board.

Rev. Frazier, while on his first furlough in 1963, married the former Jeanne Toner of W.P.B. They left for Vietnam, working with the Bahá'í tribal group, Pleiku is about 100 miles north of Ban Me Thout where Mr. Leon Griffo and his daughter, Carolyn, of W.P.B. were killed in a Viet Cong attack in February. The fighting came within a few blocks of where the Fraziers lived. Pleiku was attacked that same night. Rev. Frazier says it was like living in the eye of a hurricane. While fighting raged around them, their home was in a "cabin" for which they thanked God. Their main mission in Vietnam was to establish churches in villages. However, because of the war, they were also active in medical and relief work.

St. Peter's Lutheran Church Holy Week Services

Holy Week began at Saint Peter's Lutheran Church on Palm Sunday with the Confirmation of Peggy Baughman and Jerry Kirkman following two years of instruction in the Catechism. The Sacrament of the Lord's Supper was also celebrated with the two confirmands partaking of their first Communion.

Holy Communion will again be administered on Maundy Thursday, April 11, as the Pastor and the men of the congregation will reenact the Last Supper for the fourth year. Following this drama, the remainder of the congregation will celebrate the Sacrament.

On Good Friday, services will be conducted at 8 p.m. at St. Peter's that will observe the death of our Saviour.

During the next 10 years operating expenses at St. Peter's Florida Presbyterian College will top \$35 million. Student expenditures will amount to more than \$7 million, making a real contribution to the economy of the surrounding area.

The Resurrection

By Rev. Leland Edmunds

At the request of the Belle Glade Herald we will briefly present three practical, useful facts concerning the Resurrection of Christ.

1. He was and is the Saviour of the World. "He is able to save them unto the uttermost, all who come unto God by Him." Faith and acceptance are the tickets of admission.

The empty tomb of Christ is precious, precious because it contains nothing. The empty tomb of Christ has been correctly called "The Cradle of the Church." His resurrection is the coming proof of the Deity of Christ. He arose and has therefore the power to save.

2. He intercedes for us — "He ever liveth to make intercession for us." Alive and our side-partner even if we take wings of the morning and fly unto the uttermost parts of the earth; even when our burdens are so heavy; even when we sin we have an advocate with the Father through Christ "And I, am with you always, even unto the end of the world."

3. He arose — which guarantees our own resurrection and immortality. "Because I live, ye shall live also. Live and believe in Me and never die. To be with Christ and loved ones forever is a far better thing than any one of us deserves."

If you don't believe in the Resurrection read the Bible through. You will see through the clouds of doubt, follow the footprints of Thomas—who finally came to the assurance of "My Lord and My God."

Southland Trio To Be Feature Of Monthly Sing

The monthly Community Hymn Sing held each month on the 3rd Saturday at the Belle Glade Church of God will be conducted Saturday, April 20 at 7:30 p. m.

Featured for this sing will be the "Southland Trio" from Ocala. All special singers in the community are invited to take part.

The Pastor Rev. Norman Powell extends an invitation to anyone wishing to attend.

Rev. Powell also announced that the Lee Singers from Lee, Col., and Tennessee will be in Ft. Lauderdale on Thursday, April 11 at the Church of God there. The group is going to the Islands for a Singpiration on Easter Sunday.

During this week of April 8 through the 14, the members of the Church of God are having a week of Prayer and Consecration in their individual homes each night.

Lake Harbor Sermon Topic: April 14, 1968, Easter: "The Stone Rolled Away!"

Prayer is a sign of faith, an evidence of belief. To pray is not to be weak; it is to seek help from the source of strength.

Prayer will not move mountains. We cannot expect a personal miracle in exchange for a small prayer. But, we can find in prayer both strength and hope.

PAGEANT OF CROSSES

A program especially fitting to Easter Sunday will be presented at Community Methodist Church on Easter Sunday afternoon from 2:00-5:00 o'clock.

Fourteen different large crosses completely covered with flowers will be on display in the church parlor combining the glory of Easter and the beauty of nature.

Another special feature of the afternoon will be an excellent musical program in the sanctuary. The Reverend Rod R. Ruby, gifted baritone, will present a sacred concert from 2:30 to 3:00 p.m., the Carol Church of Community Methodist Church will present Easter selections from 3:30-4:00 o'clock. Additional music will complete the afternoon's program.

Everyone in the community is invited to see and hear this different and inspiring Easter program. You may come alone and go as you wish, either sitting in the sanctuary to listen to the music or walking through the parlor to view the display of crosses.

Easter Cantata At Baptist church

The Chancel and Chapel Choirs of First Baptist Church will present an Easter Cantata "Hallelujah What A Saviour" Sunday night at 7 o'clock.

Sunday will mark the close of the Sunday School Enlargement Campaign.

The Sunday morning service will be brought by the Rev. Babb Adams, who is conducting a revival all this week night at 7:30 p. m.

Episcopal Services

Holy Week services continue at St. John the Apostle Episcopal Church with Maundy Thursday services at 6 P. M. with Holy Communion, Good Friday, The Liturgy at 12:15 noon and on Holy Saturday, The Liturgy at 6:30 P. M.

On Easter morning the service will be held at 6:30 A.M. with Holy Communion followed by a parish breakfast.

On Easter morning the service in Pahokee will be held at 10 A. M.

Inspiring Revival Closed Friday

First Baptist Church of Lake Harbor, and the Community Methodist Church of Lake Harbor concluded their cooperative Week of Revival on Friday night.

It was an inspiring week of evangelistic services with the message each evening being delivered by a prominent area minister. It was the first time that such a group of services were undertaken by the two churches, but the response was such that they will be repeated in other years.

The congregations of both churches wish to thank everyone that had a part in making the services so successful.

Maundy Thursday Communion

At 7:30 Thursday at Community Methodist Church the sacrament of Holy Communion will be celebrated on the anniversary of Christ's last meal with His Disciples. The membership class will be confirmed in this service and share in their first communion.

"Parable" The starting film "Parable" will be shown in the sanctuary of the Community Methodist Church at 8 p.m. on Good Friday. This film was produced for use at the New York World's Fair.

The entire film is a parable. In the context of a circus the film artist epitomizes the history of mankind and the individual man. The lifetime task of man is to put meaning into his life. Often this is obscure. Hence, throughout the film there will be used to symbolize man's search for meaning within himself. Each viewer will interpret the vivid characters and stirring music of the "Parable" in his own way. The ageress of dialogue intensifies the significance of the film's theme: The Man Who Dared To Be Different.

While children will not enjoy this film, youth and adults should find it thought-provoking and possibly disturbing! A short discussion will take place at the end of the film for those who wish to share their impressions with others.

Mrs. Miner Gives Circle Program

The Claraminta Circle of Community Methodist church met at the home of Mrs. Ruth Wedgworth. Mrs. John Dulany was hostess in the absence of Mrs. Wedgworth.

Mrs. Frances Miner gave the program on "Japanese Christians Among the Non-Faith."

Announcement was made of the Fellowship Mother-Daughter Banquet to be held Thursday, May 2 at Jameson Hall.

Mrs. J. A. Ponder was a guest. Ten members were present.

SEMANA SANTA. Semana de Dolores, recordamos los pasos del Divino Señor camino al Calvario.

Semana de Dolores y de Penitencia, para prepararnos para la gran Alegría de su Resurrección, que conmemoramos el próximo Domingo, Domingo de Resurrección.

En compañía de los esposos Irma y Jose A. Gonzalez Cores. Pasando un rato muy agradable en la residencia de Dora y Armando de Zayas, aquí en Belle Glade.

GIJANO BENEDITO. El Domingo de Ramos pasado, todas las iglesias a través del país, han adornado sus altares y han repartido entre los fieles penas de guano del follaje de las Palmas que crecen en Okechobee.

Durante las últimas semanas unos 250 Indios Seminoles estuvieron ocupados cortando, sorteando y llevando camiones cargados de penas a la empacadora Abney de Okechobee.

Las penas son embañadas en enormes camiones refrigerados y embarcadas a todo estado del U.S.A. y Canadá.

Este proyecto comenzó hace pocos años, embarcando un solo camión. Ahora requiere una flota de camiones y empleados Indios como residentes locales.

En preparación para la Semana Santa, mañana día 13 de noche. Y el Domingo de Ramos los trabajadores festejan con un barbeque al aire libre.

No more stooping, scrubbing and scouring
...with a flameless electric range
that cleans its own oven.

The new self-cleaning electric ranges put an end to a messy job. Just set a dial and the oven cleans itself—electrically!

Top-of-range heating units never need cleaning... spilled food burns itself off. Pots don't need scouring... there's no flame or soot to blacken them.

FLAMELESS ELECTRIC COOKING heats the food, not the kitchen. It's faster, cooler, safer, more enjoyable.

What is Easter

Easter is the greatest festival of the Christian church and it commemorates the Resurrection of Jesus Christ. It is not always held on the same date. The church council of Nicea (A. D. 325) decided Easter should be celebrated on the first Sunday after the first full moon on or after the vernal equinox (March 21).

In many churches, Easter is preceded by a season of prayer and fasting called Lent. This is observed in memory of the forty days fast of Christ in the desert. In the Western church the Lenten season is from Ash Wednesday until the noon of Holy Saturday — the day before Easter. These six weeks and four days include forty fasting days, since Sundays aren't fast days. In the Eastern churches, Lent extends over eight weeks, and they don't observe Saturdays as fast days.

Ash Wednesday gets its name from the practice, mainly in the Roman Catholic church, of putting ashes on the foreheads of the faithful. This is to remind them that "man is but dust" and that he must do penance. The second Sunday before Easter is Passion Sunday. The week following is now usually called Passion Week, although Passion Week originally meant the week before Easter. Palm Sunday, one week before Easter, celebrates the triumphant entry of Christ into Jerusalem. Holy Week begins on this day. Holy Thursday, or Maundy Thursday, is in memory of the Last Supper of Christ with his disciples. Good Friday commemorates the Crucifixion.

Many Easter customs come from the Old World. The white lily, the symbol of the Resurrection, is the special Easter flower. Colored eggs and rabbits have come from pagan antiquity as symbols of new life. The Easter Monday egg rolling on the lawn of the White House — a custom of European origin — is said to have been introduced in Washington by Dolley Madison.

Two Make All Conference

At a recent meeting of Suncoast Conference coaches, the 1967-68 All-Conference basketball teams were announced. Members of the Western Division All-Conference teams were Queen Wilson and Steve Close of the Belle Glade Rams. Queen, a senior, is being named All-Conference for the second year. He has been a starter for the Rams for three years. During these three years he averaged 11, 14, and 15 points per game. He is one of the finest all-around ballplayers ever to play for Belle Glade. He hopes to continue playing basketball in college.

FHA State Convention

Last week, five FHA home makers and their spouses, Mrs. Hazel Litchfield, attended the state convention in Jacksonville.

Sue Griffin, Alice Halbrook and Kathy Morris received their State FHA Degree. They were three out of twenty-five Florida girls to receive this honor. To receive the state degree, one is required to do so. They were also given certain standards and qualifications set by the state department. Each of these projects were to improve their skills and leadership.

A Poem From Viet Nam

"Take a man, then put him alone.
Put him 12,000 miles from home.
Empty his heart of all but blood.
Make him live in sweat and mud.
"This is the life I have to live.
And why my soul to the devil I give.
You 'pease boys' rant from your easy chair
But you don't know what it's like 'over here'.
You have a ball without trying.
While over here your boys are dying.
"You burn your draft cards, march at dawn,
Plant your signs on the White House lawn.
You all want to ban the bomb.
'There's no real way,' you say, 'in Vietnam'.
"Use your drugs, and have

Steve, a sophomore, has been an important member of the team in his first year. He was the only sophomore to make the All-Conference team. He averaged 18 points per game against Conference competition and 16 overall. With two years remaining in high school, he would like to play basketball in college.

These two boys along with the other players, each equally important in his own area, brought Belle Glade one of its finest basketball teams. It finished 15-7, winning 10 out of its last 12 games and was second in the Suncoast Western Conference.

Senior Perez Makes South All Stars

Senior Julio Perez will play for the South — All Star team at their annual game, August 2, in Gainesville, Florida. The 215 pound Perez was selected by the south committee, and will be playing with 25 other boys from various schools south of Tampa. Nick Kotey, head coach at Coral Gables High School will serve as head coach for the south team in the annual game.

The game had its beginning in 1949, and for several years it alternated between Miami

Clubs

BETA CLUB
An assembly, sponsored by the Beta Club, was held April 3rd, for their annual induction of new members. Thirty-one members were inducted. The Beta Club meeting was held on April 8th, to discuss the Student Council Talent Show. A conference will be held May 3, 4 and 5 at the Hollywood Beach Hotel, Hollywood, Florida, and Chip Kaufman will be running for State President. On Friday, April 19, the Beta Club will sponsor a dance. The theme will be "Hippies", and the music will be given for the couple wearing the most original hippie costume. Tickets are \$1 each.
J.R. CIVITAN
Jr. Civitan began selling T-shirts Monday at a price of \$2.00. A deposit of \$1.00 is required with a \$1.00 C.O.D. charge upon arrival. The shirts are white with blue borders and a blue and gold tab at the neck. "Belle Glade High" will be printed on the front of the shirt.

Pros and Cons of Required P. E.

By DICK HOOKER

Football, baseball, a chance for relaxation, tennis, basketball, introduction to different sports, tumbling, soccer, a path through which we gain new friends. All of these are aspects of physical education. There are many reasons why physical education should be required for all three years of high school. The first and main reason is the physical fitness attained through a good physical education program. What good is a man or woman, no matter how intelligent, if he or she is unphysically fit? A good mind needs a good body. For some people, the only chance for brisk physical activity is through a physical education program. The high school years are the years during which our growth and development are at their peak. If we neglect our bodies, and pay attention only to our minds, what will we be like in twenty or thirty years?

Sam Strahm, the son of Rev. and Mrs. C. L. Strahm, was born in Peoria, Illinois. Sam lives with his parents in South Bay and his future plans are undecided after his graduation in June. Sam is an active member of Beta Club, and the D. C. T. Club. His favorite activities are enjoying his job, and working on his car.

Sam Strahm was elected state president of the Cooperative Education Club of Florida on March 30. When asked what he thought of his job, he said, "A lot of credit must go to the Belle Glade High D. C. T. cause they worked real hard for me to win."

Sam answered the questions, "What does D.C.T. mean to him and what are the challenges, like this: "Well, to me, D. C. T. gives an opportunity to start working and apply classroom learning to practical on-the-job training and the challenges are to do the job right and as well as I can."

With Sam as the State President, we know the Cooperative Education Club will have a hard working leader, who will do the best he can to aid everyone to the best of his ability.

P. E. is to keep you in physically or to keep you in fit? Since seventh grade the junior and senior high schools have been offering and requiring their students to take the course in order to keep muscles from sagging and tumblers from dragging.

We have been offered such interesting games as: hit the soft ball and make an out, kick the volleyball and break your toe, bounce the basketball and be scratched to death by an opponent and the exciting game of serve the tennis ball and watch the blisters on your feet appear. Not that all of these games aren't interesting, for you may even begin to like them after four years.

Have you ever seen thirty-five girls fighting to get into one shower when there is five minutes to bathe, find your Ban doozer and get to class on time? I know what it's like, because I'm always number thirty-five.

Everyone's always hollering stay in shape you need to exercise to be in good health. There is nothing that makes you feel any healthier than, running laps around the football field until you faint.

When a boy thinks of a girl he sees a soft, sweet, feminine little thing that looks and smells like a bunch of daisies just picked from the fields. Yes, there is nothing sweeter looking or smelling than a girl out of P.E. class with wet stringy hair, smeared make-up and the odor of the leading deodorant on the market.

Now then do I hear any nominations for girls to take P.E. all 3 years? How about it boys?

Wrestling will be on Thursday night this week. Friday is Good Friday and many people will be in church.

The Hawaiian, Sam Steamboat and Koa Tiki will clash in a tag team match against The Blue Demons.

Girls and midgets will wrestle in a mixed tag team match. Girls may tackle midgets and midgets may tackle girls. Everything goes and anything may happen in this bout! Miss Sherri Lee and Midget Cowboy Bradley take on Miss Bonnie Watson and Midget Little Joe Russell.

Latin Tito Romero goes against The Viking in a revenge grudge match. The Viking caused Romero to miss a drop kick aimed at Vachon last week which resulted in Romero losing to Vachon.

April Ninth, A Day of Decision

My, my, Janice Perry! We see you're running for a campus royalty and the Student Council office of vice president.

Idell McLaughlin, one of the young ladies now seeking the position of Miss Lake Shore High, is shown above.

Mr. Harper, you seem to feel that you are qualified to become Vice President. We hope others are as confident as you.

The above is a picture of Brenda Upshur, one of three young ladies running for secretary of our Student Council.

On April 9th the members of the Lake Shore family observed their right to vote as a student. April 9th was student election day for our campus. The students had the opportunity to elect for their campus the best qualified candidates for the position of Council Officer for the position of Campus Royalty.

This year our candidates seeking the position of Council Officer for the 1968-69 school term were as follows:

President: Willie Howard, William Myrick and Elsie Neely.

Vice President: Eddie Harper and Janice Perry.

Secretary: Betty Epting, Bernadine Lucas and Brenda Upshur.

Treasurer: Curtis Henderson and Ethel G. Henry.

Listed below are the names of the candidates seeking the position of Campus Royalty, and they are:

Miss Lake Shore High: Idell McLaughlin, Helen Perkins, Jeanette Sears, Judy Sheffield and Eleanor Stewart.

Junior Assistant: Butta Butta, Clanthan Carrigan, Gwendolyn Johnson and Janice Perry.

Miss Sophomore: Alice Fordham and Barbara Randall.

Campus Highlights

Seniors are now selling patron ads for the Senior Class Play, April 18-19. Patron ads are \$1.00, and can be bought from any senior. Advanced tickets for the Senior Class Play will be sold in room 801. Beginning Monday.

Sports Highlight

On Friday, April 5, 1968 the Lake Shore High Track Team journeyed to Carver of Delray. This was the team's second meet of the season. The participating teams were Carver, Gifford and Lake Shore. The meet terminated with the scores: Gifford 49 points, Lake Shore 48 points and Carver 46 points.

Outstanding performances were done by Alton (81u) Jones, who took 1st place in the mile and 800 yard race accompanied by Johnnie Mack, who took 2nd place in the 880; James Otis Benjamin captured 1st place in the high and Robert Key who was 2nd in the broad jump.

The team also took 1st place in the sprint medley which was won by Wintall Coleman (110 yards); Curtis Edwards (220 yards); Eddie Clayton (330 yards) and anchored by Johnnie Lusane (440). The mighty track team also took 1st place in the mile relay which was run by the "Dynamic Four": wind front hair in medium-size rollers going diagonally away from the part on either side. At each ear turn up one roller and top it with a pin curl toward your face. Crown and back hair are rolled under a slight diagonal until rollers cover your forehead, excluding the bottom, which is set with crisscrossed bobbinys. When your hair is dry, brush it thoroughly to blend roller lines. Flip one size toward your face and make finger-pin curls on the other side.

Pride and Prejudice

Author: Jane Austen
Copyright, 1946

Plot: Pride and Prejudice is the novel of a mother's struggle to get her daughter married.

The story began as the Bennett family was eating breakfast. Mr. Bennett's sister-in-law came in and told the family that the Fetherby estate would soon be occupied. Mrs. Bennett said that this was an opportunity for her to marry one of her five daughters.

Her daughters' names were Jane, Elizabeth, Lydia, Mary and Catherine. Jane was the daughter she wished to marry.

After the Fetherby party arrived, a ball was soon given. The Bennett family met the members of the party, who were Mr. Bingley, Mr. Darcy, Mrs. Hunt, and Miss Bingley. Mr. Bingley liked Jane the first time he saw her and he and Mr. Darcy thought she was the most attractive young lady at the ball.

Elizabeth heard Mr. Darcy when he said that Jane was the only worthy young lady at the ball and this made Lizzy very angry. She immediately wrote an aversion for Mr. Darcy.

About a week after the ball, the Bennett daughters went into town to visit their aunt and uncle, who was a militia officer. Elizabeth took a liking for Mr. Wickham.

Later another ball was held and Elizabeth chaperoned with Mr. Wickham. Mr. Wickham told Elizabeth that Mr. Darcy had treated him badly and this increased Lizzy's dislike for Mr. Darcy.

Shortly after this ball, the Fetherby party left and Elizabeth visited her aunt and uncle. Mr. Darcy was in charge of the troops where Mr. Wickham was employed.

Before Lydia eloped, Lizzy was proposed to by Mr. Darcy. She refused him for reasons concerning Mr. Wickham. Jane and Mr. Bingley, when Lizzy heard of Lydia's elopement, she immediately came home, she was accompanied by her aunt and uncle. Mr. Wickham and Lydia finally came home married, by no wish of his own.

Shortly after Elizabeth returned home, the Fetherby party also returned. Mr. Bingley proposed to Jane and she accepted. Mr. Darcy explained his actions, concerning Mr. Wickham and Jane and Bingley, to Elizabeth. Elizabeth felt herself falling in love with Mr. Darcy but when he explained his actions, this removed all doubt of her love for him. Mr. Darcy later proposed to Lizzy and she accepted. Mr. Bingley and Jane were married and Mr. Darcy and Elizabeth were happy.

Easter Greetings

THE members of the Lake Shore family would like to extend their wishes for a "happy" Easter season and many happy returns.

Easter as observed by millions of people around the world is a day in which churches throughout the world honor Christ's resurrection which is considered by most people the world's greatest religious observance. For without Easter "Christmas would have no meaning. It is a day of rejoicing and is welcomed by millions of people all over the world.

So, in conclusion from the Lake Shore family we leave this little poem entitled "Upon an Easter Morning."

UPON AN EASTER MORNING

Upon an Easter morning
So early in the day
The birds raised up his whistle
To tune the night away
The bird raised up its grass-blade
Of emerald green
The garden raised its flower
The river raised its dew.

Upon an Easter morning
So early in the day
The lark went like a seraph
Beyond the mortal eye
The organ in the chance
Sang both grand and gay
The people on the cause,
The cattle in the pen
Heard the pipes of heaven
Rising up again.

The light went like ladder
From valley to sky,
The lark went like a seraph
Beyond the mortal eye
The wind went like a spirit
To blow the dew away
Upon an Easter morning
So early in the day.

Class Visits

Water Plant

On Friday, April 5, the members of the second year Physical Science Class, under the supervision of Mr. Joseph Perry, took a field trip to Belle Glade Water Department. We were greeted by Mr. Harry Matthews, Plant Chief, who in turn gave us a guided tour of the plant.

We saw how our everyday water after being chemically treated is purified and filtered and then ready for human consumption.

The class would like to extend their thanks to the Water Dept. for an educational and interesting tour.

Operation Teenage

On Tuesday, April 2, we were privileged with one of the most rewarding assembly programs of the year, "Operation Teen Age." The program was prepared by men from Glades Correctional Institution in the hope that "young people will be turned away from criminal offenses by hearing of their personal experiences." The personal accounts were written voluntarily by each of the speakers.

The first speaker was convicted on a charge of robbery. It wasn't until he was imprisoned that he found out just how much his family and freedom meant to him. He asked for strength and courage from God that he might live a better life when he is released. The four remaining speakers were convicted of drug addiction, obtaining narcotics by fraud or the like. All of them tried to bring out one point: "the importance of freedom." It was not until they were confined to prison and a life of regret that they realized how precious their freedom really was and how they felt it was their responsibility to make teenagers see the light. One statement made which stuck in the minds of many, "I'm sure, was 'A person must find himself if he is to have any dignity at all.'"

Baseball Team

On Friday, March 28, the Lake Shore Bobcats Baseball team defeated the Kennedy Vikings by a score of 7-2.

Tuesday, April 2, the Bobcats were defeated by the Carver Eagles, of Delray, by a score of 3-0.

Thursday, April 4, the Bobcats played host to the team of Dunbar of Ft. Pierce and defeated them by a score of 6-0. Our team now has a record of 4 wins and 1 loss.

TRACK TEAM (JUNIOR)

Has off to our junior track team for their second place winning in the Junior Track Meet. They came home with a total of 61 points.

TRACK TEAM (SENIOR)

On Friday, April 5, the Senior track team journeyed to Delray to participate in a track meet held there.

What if . . .

Hello, I've been snooping again. I've found out there are many qualities drifting around here and I've caught many of them. Here goes, what would you feel like if you had the capability to be as dramatic as Jeanette Sears justime as Ralph Walker. Popular as Ronald Butler. Creative as Ruth Berry. Exciting as Wintall Coleman. Active as Willie Howard. Wise as James Andrews. Tidy as Betty Epting. Graciously as Shirley McDonald. Joyful as Rodney Rodneys. Lumber as Curtis Freeman. Open minded as Jerome Kyles.

Instructional as William Myrick.

And had the ability to: Sing like Brenda Upshur. Talk like Brenda Upshur. Walk like Winifred Johnson. Stand like Curtis Thomas. Wouldn't you be the most of course you would.

Stolen Cars Recovered

NEW YORK—Although 90 per cent of all automobiles stolen in the United States are recovered, according to the Insurance Information Institute, about 30 per cent of the recovered cars have been damaged or stripped of parts—many to the extent that they represent total losses.

American Legion Post 20 Elects Officers For Year

At its regular meeting on April 2 the local Everglades Post 20 of the American Legion elected officers for the ensuing year.

With 42 members present, the post re-elected Herbert Bush as Commander. Other officers elected were Floyd Ashley, 1st Vice Commander, Marty Frank, 2nd Vice Commander and Frank Pierce, 3rd Vice Commander. Floyd Smith, Finance Officer, Roscoe Legg, Chaplain, Lawrence E. Will, Historian and Henry Hoyer, Sergeant at Arms.

Members of the Executive Committee for a one year term will be Tom Parham and Guy Wilson, for a two year term, Kenneth Lambert and Neal Livingston and for a three year term Lee Crawford.

This post is now organizing and sponsoring a Junior Baseball Team. It has appropriated \$1000 for uniforms and equipment and is now soliciting additional funds for other necessary expenses.

Post 20 has recently been awarded a plaque from state headquarters commending its sponsoring of Boys and Girls State as well as Junior Baseball, and with the assistance of the Post Auxiliary, its contribution of benefits to both the Veterans' and the T.B. hospitals.

Florida Livestock

Commercial production of red meat in the 48 States during February 1968, was 2,721 million pounds, up 3 percent from a year earlier, but 11 percent below the previous month.

Commercial meat production includes slaughter in federally inspected and other commercial plants, but excludes animals slaughtered on farms or ranches.

Of the 2,721 million pounds of red meat produced in February, 1,633 million pounds were beef, up 6 percent from a year earlier; 54 million were veal, down 8 percent; 896 million were pork, up 1 percent; 48 million pounds were lamb and mutton, down 16 percent.

Civilians Play Host To Coastal Clubs

Representatives from five Civilian Clubs from Southwest Florida were hosted by the Belle Glade Civilian Club in an inter-club meeting at the Belle Glade Country Club last Friday, April 5.

Approximately 72 out-of-town guests, including some from north Miami and Key West, attended the meeting. Following a get acquainted game, in which the winners received colorful baskets of Glades Vegetables, Dick Murray, local president, introduced and welcomed the guests, and turned the program over to the master of ceremonies, Marvin Smith.

A dinner of catfish and hushpuppies served with fresh corn and other vegetables preceded a talk on the first professionals in the Glades by Lawrence Will, cracker historian of the area. Centering his talk around a husband and wife medical doctor team who provided medical services to the residents around Lake Okechobee and to some of the Seminole Indians, Will related many experiences of travel difficulties

around the lake. He told of the plans for some of the Glades which took 40 years to realize completely.

The Belle Glade meeting completed schedule of Civilian Clubs in Zone 11 designed to allow the interchange of ideas among Civilian clubs, promoting good citizenship.

New Bill Concerns Florida Fruit And Vegetable Trade

At the request of the Florida Fruit & Vegetable Association and on behalf of commodity groups adversely affected by foreign competition, Florida Congressmen A. Sydney Herlong, Jr. and Paul Rogers have introduced a bill into Congress entitled "The Fresh Fruit and Vegetable Market Sharing Act of 1968".

A dinner of catfish and hushpuppies served with fresh corn and other vegetables preceded a talk on the first professionals in the Glades by Lawrence Will, cracker historian of the area. Centering his talk around a husband and wife medical doctor team who provided medical services to the residents around Lake Okechobee and to some of the Seminole Indians, Will related many experiences of travel difficulties

New Directory Being Delivered

The new telephone directory for Belle Glade - Pahokee and surrounding areas is being delivered by mail this week.

Delivery of the new directory should be completed by

not later than April 12th, which is the effective date of the directory. Charles Leonard, local Southern Bell manager, asks anyone who doesn't receive his directory by April 12th, to call the business office, 996-9011, and let the Service Representative who handles his account know.

"We want to be sure all our customers get their new directories as soon as possible. Anyone who doesn't receive a directory by April 12th can help us to accomplish this by letting us know," Leonard said.

A quick check of this year's directory indicates continuing progress in the Glades. This year 10,085 directories will be distributed, compared to 9350 distributed last year.

Leonard asks that customers please throw away their old directories on April 12th and use the new ones only. That way, there's no chance of getting wrong numbers from the old directories.

"Also," Leonard said, "please check the directory for numbers you want before calling. This will save you time and inconvenience and help you get the best service. Remember, all new numbers listed during the past year will now be found in the new directory."

Market Repo

Market steady but off Monday, reports G Livestock Market. Slau cows were up 25 to 40¢ light veal calves were off 25-50¢.

A total of 220 head sold with 51 percent to steers and 49 percent to stock.

Bob Paul, Inc., Labeler, aka, tipped the market was safe.
